

Packing List

Updated: 04/10/19

If the weather holds true, campers could be seeing sunny temperatures in the 80's during the day and high 50's in the evening. We are in the mountains and the temperature varies significantly.

Campers will be staying in cabins. They will have access to showers, sinks, and toilets in the same building. Most beds will be wooden bunks with mattresses. If the camper does not have a sleeping bag, single bed sheets and a blanket will work just fine. Here is a list of some things campers should bring:

- sleeping bag or bedroll and pillow
- pajamas
- towel/washcloth
- toiletries (soap, shampoo, toothbrush, toothpaste, deodorant, etc)
- flip flops for the showers or swimming
- sunscreen / chapstick / bug spray
- modest swimsuit (one piece swimsuit for girls please)
- socks & underwear
- comfortable shoes for walking (some activities require closed toe shoes)
- tennis shoes for those playing sports
- clothes that can get dirty
- dirty clothes bag (optional)
- long pants, jeans or shorts
- long sleeved shirts (required for those taking the archery class, if offered)
- rain gear such as jacket or umbrella (highly unlikely)
- flashlight or headlamp
- water bottle (we are at high elevation drinking lots of water is important)
- Bible
- backpack (optional)
- ukulele / guitar (for those taking the class, if offered)
- mountain bikes (for those taking the class, if offered)

One of the goals for our campers is to allow them to develop through a connection with nature and social interaction. For this reason, we limit the use of electronic devices at Camp Texico.

Leave at home:

- electronics (camera's OK)
- knives or weapons
- alcohol or tobacco
- illegal substances
- fireworks
- pets

If a camper leaves something at home, we may be able to get some supplies from nearby Ruidoso or the Bonita Park gift store, but there is no need for campers to bring cash to camp.

*Please label your belongings. Camp Texico at Bonita Park is not responsible for any lost or stolen items.
