Dear Fellow Educators for Christ:

**WELCOME** to School Year 2022-2023--a new year in Christ! And welcome to the **"EDUCATOR'S LIFELINE"**!

I appreciate the information I get each month through these pages. It helps me to keep in touch with what is happening in your school. I hope that it will help you care for the necessary, mundane, boring, administrative details and teacher reports of operating a school properly and allow you to conserve your creativity for the more exhilarating educational activities. It also helps me stay accountable in areas of my responsibilities.

It is important that the monthly **"Educator's Lifeline"** report **arrive** in the conference office by the 5th of each month or as designated. Include with it any reports for the month, your school board minutes, and school financial reports.

Please include comments on this "Lifeline" report of any suggestions, joys, sorrows, frustrations, aspirations, successes, and ideas so that I can stay close to you and understand your situation; thereby, hopefully, being more helpful!

**THANK YOU** for the prompt and careful way that you have cared for these necessary details in the past. We know that this year the **"Educator's Lifeline"** will help save time and keep us abreast of what is happening in the conference.

May God's special blessings be upon each of you as you take up the duties of this special new year for God and for His young people in your school.

Yours in Christ,

*Derral W. Reeve*
